

Lined A5 Envelope Using Smaller Coordinating...

2 FEBRUARY 2026

Create a beautifully lined A5 envelope using the clever technique of making a smaller envelope from coordinating patterned paper. This project features soft pink and floral designs, combining precise measuring and trimming to achieve a professional finish. The result is a luxury envelope with a decorative liner that's as stunning on the inside as it is on the outside. From our live show **MY PODCAST - Catch my latest updates broadcast 2nd February 2026** (2 February 2026) - watch it from 23:00.
