

Scenic Card with Glitter Accent Details

19 JANUARY 2026

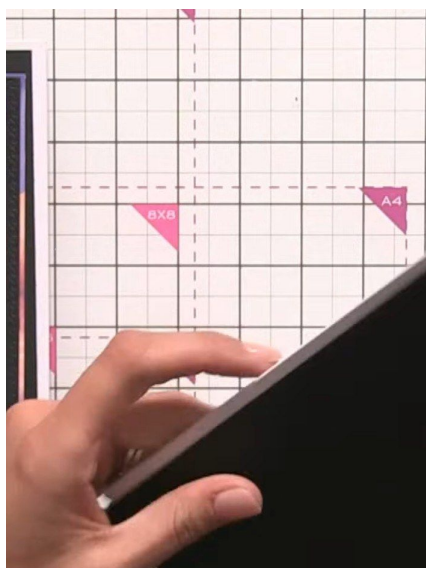

Create two stunning scenic cards featuring silhouette designs with added sparkle and dimension. Using the Moonlit Skies and Set the Scene dies, you'll craft a peaceful lakeside scene and a dramatic sunset with birds, enhanced with chunky glitter applied with clear-drying glue to catch the light. The glitter accents mimic natural highlights on water, trees and landscape elements for a beautiful finishing touch. From our live show **MY PODCAST - Catch my latest updates broadcast 19th January 2026** (19 January 2026) - watch it from 52:00.
