

3D Hanging Basket Card with Layered Foliage

3 NOVEMBER 2025

Create a dimensional hanging basket card using die-cut foliage in multiple shades of green and brown, layered to create depth and perspective. The finished card features realistic 3D hanging baskets with flowers and varied foliage heights. From our live show **MY PODCAST - Catch my latest updates broadcast 3rd November 2025** (3 November 2025) - watch it from 33:00.

Prepare a white or cream card blank as your base, trimming it to a suitable size for your design.

Watch this step: 38:00 into the show

Layer your first green foliage piece onto the card base using glue, positioning it at the back.

Watch this step: 42:00 into the show

Layer your second green foliage piece in front of the first, tucking it in at a different level to create dimension.

Watch this step: 42:30 into the show

Adhere your brown pot base on top of the foliage layers, positioning it to sit naturally within the arrangement.

TIPS FROM THE SHOW

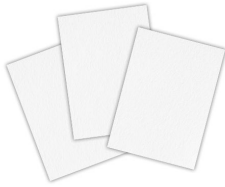

- Keep all die-cut pieces on a plate to prevent losing them whilst crafting.
- Layer foliage at different levels to create perspective and avoid a flat appearance.
- Use water flicking on inky backgrounds to create texture and disguise uneven blending.
