

Cherry Blossom Stencilled Card with Glitter Border

A PROJECT FROM OUR LIVE SHOW - CREATE AND CRAFT - 5 MAY 2022

ABOUT THIS PROJECT

Design an elegant card using a cherry blossom stencil with pink and turquoise inking, finished with a glittery border and sentiment. The stencil technique creates beautiful, professional-looking results without requiring advanced skills.

TIPS FROM THE SHOW

- Stencils are perfect for beginners as they give instant impact and allow you to colour blend easily.
- You can fussy cut the stencilled elements with scissors after stencilling for additional detail.
- Foam pads work well for mounting, though silicon-based adhesives can give you more height and angling options.
