

Woodland Bear Card with Layered Landscape

A PROJECT FROM OUR LIVE SHOW - THE THURSDAY DROP - 29 OCTOBER 2026

THE FINISHED PROJECT

ABOUT THIS PROJECT

Create a striking woodland bear card featuring a stamped bear motif surrounded by a moody layered landscape. Using ink blending and stencil techniques, you'll build atmospheric depth with trees, coloured halos, and sentiment text in rich, earthy tones. This project combines stamping and stencilling to achieve a professional, dimensional finish.
