

Glueless Gift Box with Rivets and Embellishments

27 OCTOBER 2025

Make a 4x4x4 inch glueless gift box using the box and envelope maker board. This box closes securely using rivets instead of glue, and can be decorated with coordinating papers and embellishments to create a beautiful presentation for small gifts.

From our live show **MY PODCAST - Catch my latest updates broadcast 27th October 2025** (27 October 2025) - watch it from 1:00:00.

WHAT YOU WILL NEED

See the show for everything used.

Cut your card stock to 12 by 12 inches as specified on the board for a 4x4x4 box.
Watch this step: 1:01:00 into the show

Line up your card stock with the XL score lines on the board, starting at the marked position.

Watch this step: 1:01:30 into the show

Score along the first XL line by gently running your tool down the line.

Watch this step: 1:02:00 into the show

Twist the card to the next XL line and score again.

Watch this step: 1:02:15 into the show

Continue scoring along all four XL lines, twisting the card after each score.

Watch this step: 1:02:30 into the show

Punch out the small triangular pieces at each corner using the board's punch tool.

Watch this step: 1:03:00 into the show

Insert rivets into the corner holes by placing the rivet point into the corner and punching to secure.

Watch this step: 1:04:00 into the show

Fold up the sides of the box and engage the hook and eye closure system at the top.

Watch this step: 1:05:00 into the show

Decorate the finished box with coordinating papers, die-cut elements, and embellishments as desired. Watch this step: 1:05:30 into the show

TIPS FROM THE SHOW

- Try the board on a piece of scrap paper first before using your best card stock.
- Take your time with the hook and eye closure system as it can pop back out—be patient and don't rush.
- You can make boxes as small as 1.75 inches to fit chocolates, or larger sizes like this 4x4x4 box.
