

Scored Corner Panel Detail Card

A PROJECT FROM OUR LIVE SHOW - CREATE AND CRAFT LIVE - 27 APRIL 2022

ABOUT THIS PROJECT

TIPS FROM THE SHOW

- The magnet in the Eureka 101 keeps your artwork completely still whilst scoring, preventing the scoreboard from moving.
- You don't need the texture to be the focus—the score lines can work as a subtle background detail to support your stamped design.
- Combine scoring with stamping to add multiple layers of visual interest to your card.
