

Textured Floral Card with Die-Cut Windows and Layered Elements

A PROJECT FROM OUR LIVE SHOW - CREATE TOGETHER CLUB - 28 MARCH 2022

ABOUT THIS PROJECT

A layered card featuring the Beautiful Notes floral stamp with textured background elements, die-cut rectangular windows showcasing the flower, and 3D elevated elements highlighted in coordinating colours. TIPS FROM THE SHOW

- Use removable or low-tack tape when masking for die-cutting to avoid damaging your card.
- Nesting dies with stitch detail on both sides create decorative effects on both the front and back of cut-out pieces.
- Varying the height of foam pads creates a rise-and-fall effect that adds visual interest to dimensional elements.
