Oriental Bamboo and Crane Silhouette Card

A PROJECT FROM OUR LIVE SHOW - BRAND SHOWCASE IN THE HTCN STUDIOS - 25 FEBRUARY 2022

ABOUT THIS PROJECT

A striking card featuring hand-drawn style bamboo stalks and crane silhouettes stamped in grey and black inks on textured paper. The design creates an elegant, artistic effect reminiscent of traditional Chinese brush painting, with layered stamping that builds depth and shadow.

TIPS FROM THE SHOW

- Using textured paper breaks up the image and adds visual interest to the stamped design.
- Sumi paper (Japanese writing paper) would work exceptionally well with this oriental-themed collection.
- If the black ink goes slightly beyond the cardstock edge, it adds to the vintage, artistic feel rather than detracting from it.
