

Gnome Character Card with Striped Paper...

10 OCTOBER 2025

Build a festive gnome card by creating a layered striped background from patterned paper, adding a shaped card element, then mounting coloured gnome characters with a sentiment. The result is a playful, multi-layered card with lots of visual interest.

From our live show **More Inspiration - Using - Gnome for the Holidays** (10 October 2025) - watch it from 43:00.

TIPS FROM THE SHOW

- You can use off-cuts and leftover paper strips to build interesting backgrounds.
- Positioning characters at different angles and heights creates movement and interest on the card.
