Embossed Falling Stars Panel Card with Ink Blending

A PROJECT FROM OUR LIVE SHOW - CATCH UP WITH SIMON FOR MONDAY MADNESS IN THE HOW TO CRAFT...

ABOUT THIS PROJECT

Design a striking card featuring a large embossed falling stars background panel with soft, blended distress oxide colours in blue, green and pink. The embossed detail creates beautiful texture and dimension that really pops against the coloured background.

TIPS FROM THE SHOW

- If you're not confident with ink blending, you can use light icing sprays instead to add colour while keeping the white embossed detail prominent.
- The chalky distress oxide colours blend beautifully together even when they're unconventional colour combinations.
- Tilting the card forward helps reduce glare and makes the embossed detail easier to see.
