

Layered Pansy Cluster in Wooden Crate

22 AUGUST 2025

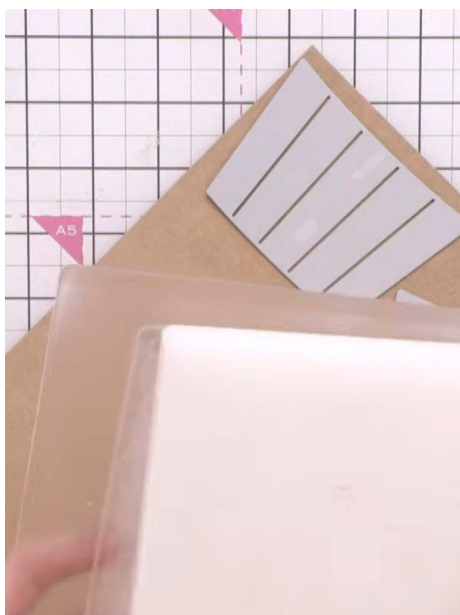

Create a stunning dimensional pansy flower arrangement in a rustic wooden crate. This project features vibrant layered pansies in cheerful yellows, oranges, pinks and purples with turquoise foliage, built up using coordinating stencils and dye inks. The layering technique adds beautiful depth and dimension to each hand-inked bloom for a striking floral display. From our live show **ONE DAY SPECIAL - Join Toni for her brand new launch - Broadcast 22nd August 2025** (22 August 2025) - watch it from 20:45.

WHAT YOU WILL NEED

- Poetic Pansies - Floral Stamp Set - 010224D
- Poetic Pansies - Layering Stencil and Die Set - 010224C
- Poetic Pansies - Tub Die Set - 010224E

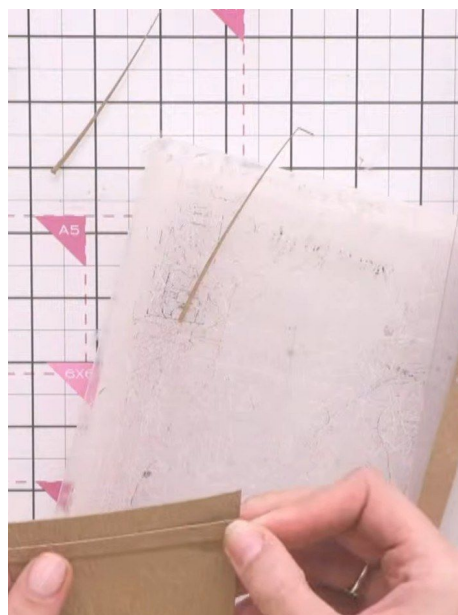

STEP 1

Die-cut the wooden crate from kraft card using your die-cutting machine. Run the card through twice to achieve better embossed detail on the crate design.

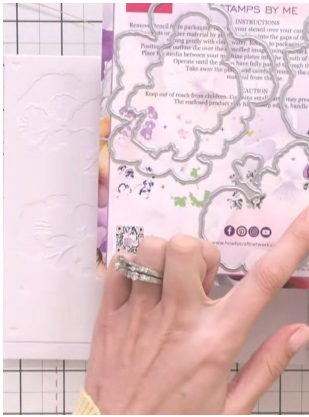

Watch this step: 21:30 into the show

STEP 2

Position layering stencil number one along the edge of your card to keep it straight. Ink through the stencil using your first colour choice.

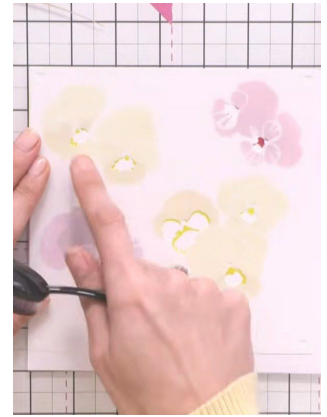

Watch this step: 23:00 into the show

STEP 3

Layer stencil number two on top of the first, aligning it with the edge of your card. Ink with a second colour, pressing firmly to ensure good coverage. Watch this step: 24:30 into the show

STEP 4

Continue layering stencils three through six over your card, using the blending tool to apply yellow, pink, purple and green inks. Vary the colours to create a multi-coloured pansy effect with depth and dimension. Watch this step: 26:00 into the show

STEP 5

Using the final stencil layer, ink the flower centres with a darker shade such as black or dark green ink to add dimension. Apply the ink with a blending tool, working gently to build up the colour. Watch this step: 28:30 into the show

STEP 6

Using a blending brush, apply a lighter teal ink shade to the green leaves, blending gently to soften the appearance and create a more natural look. Watch this step: 30:00 into the show

STEP 7

Distress the wooden crate die-cut by gently applying ink to the edges and grooves using a blending tool. Use heather or black ink to add weathered detail and dimension to the wood grain. Watch this step: 34:00 into the show

STEP 8

Die-cut all your inked pansy layers using the coordinating tub dies from the Poetic Pansies Tub Die Set to create individual flower shapes. Cut out each of the three coloured pansy designs. Watch this step: 39:00 into the show

STEP 9

Position the die-cut pansy flower clusters above the wooden crate, layering them with 3D foam pads at varying heights to create dimension. Build up the flowers so they appear to be growing from the crate.
Watch this step: 44:15 into the show

STEP 10

Arrange your fussy-cut layered pansy clusters within the wooden crate, positioning them to create a natural, clustered bouquet effect with the flowers at varying heights.
Watch this step: 45:30 into the show
