

Embossed Fairy on Black Card with White Ink

25 AUGUST 2026

A striking black card stock design where you run an embossing folder through a machine and then tap white ink onto the raised detail to create a frosted, ethereal fairy image. The contrast makes the fairy appear to float against the dark background.

From our live show **HSN PRODUCT INSPIRATION** - Join me for a fun filled show broadcast **25th August 2026** (25 August 2026) - watch it from 27:30.

WHAT YOU WILL NEED

See the show for everything used.

Place a piece of black card stock into the embossing folder, making sure the raised side is facing up.

Watch this step: 27:30 into the show

Run the card through your embossing machine to create the raised embossed design.

Watch this step: 27:45 into the show

Open the folder and remove your embossed card.

Watch this step: 28:00 into the show

Tap a white pigment ink pad gently onto the embossed design, focusing on the fairy's body, wings, and facial features.

Watch this step: 28:15 into the show

Make sure to get ink into the corners and details, particularly around the neck and shoulders.

TIPS FROM THE SHOW

- You can use a pigment ink like white soot distress ink to help blend harsh lines.
- The embossing folder can be run through multiple times with different colours to add dimension.
