

Simple Vellum and Patterned Paper Card

25 AUGUST 2026

A clean and simple card using a painted mount from the collection, torn vellum layered across the bottom, and a fussy-cut fairy element with 3D wings. The torn vellum adds texture and the 3D fairy creates dimension and movement.

From our live show **HSN PRODUCT INSPIRATION** - Join me for a fun filled show broadcast **25th August 2026** (25 August 2026) - watch it from 1:08:00.

WHAT YOU WILL NEED

See the show for everything used.

Fold a piece of patterned paper from the Misty Holo collection in half to create your card base.

Watch this step: 1:08:00 into the show

Score the fold with your hand or scoring tool to ensure a clean crease.

Watch this step: 1:08:30 into the show

Tear a piece of patterned vellum from the collection to create a textured strip.
Watch this step: 1:09:00 into the show

Wrap the torn vellum around the bottom portion of the card.
Watch this step: 1:09:15 into the show

Trim the vellum so it sits just above the bottom border of the card, revealing the craft-coloured card beneath.
Watch this step: 1:09:30 into the show

Glue the vellum in place on the card.
Watch this step: 1:09:45 into the show

Select a painted mount from the collection and glue it onto the card above the vellum.
Watch this step: 1:10:00 into the show

Fussy-cut a fairy image from the patterned paper, carefully cutting around the wings and body.
Watch this step: 1:10:30 into the show

Colour the white edge of the fussy-cut fairy with a black blending brush to hide the white card edge.
Watch this step: 1:14:30 into the show

Warm the fairy image slightly with your hand and gently curve the wings to add movement.
Watch this step: 1:15:00 into the show

Attach the fairy to the card using 3D foam pads so the wings sit proud above the vellum.
Watch this step: 1:15:30 into the show

Add a sentiment word or phrase to the card.
Watch this step: 1:16:00 into the show

Optional: add sparkles or glitter glue to the fairy's wings and hair for extra shimmer.
Watch this step: 1:17:00 into the show

TIPS FROM THE SHOW

- Tear the vellum rather than cutting it for a more organic, textured look.
- Always colour the white edges of fussy-cut elements with a matching ink to make them blend seamlessly.
- Warm the card stock gently with your hand before 3D-ing to help it curve naturally without cracking.
