

Watercolour Wash Mason Jar Card with Stamped...

16 MAY 2025

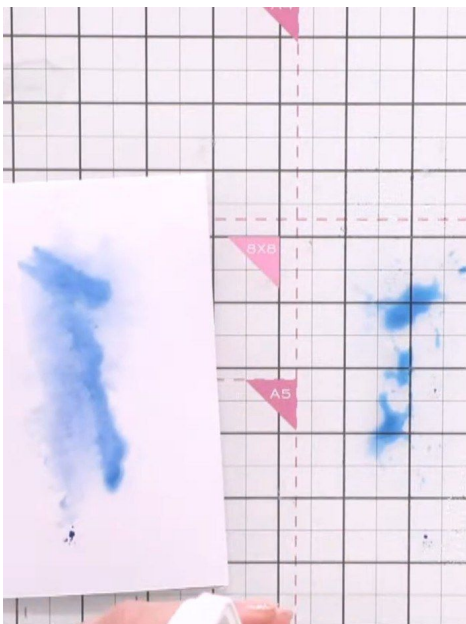

Create a beautiful card featuring a mason jar filled with stamped flowers using watercolour ink wash techniques. The design combines a soft blue and pink watercolour background with layered stamped florals and a decorative jar element, creating an artistic and dimensional card. This project uses simple stamping and watercolour techniques to achieve a stunning, professional-looking result.

WHAT YOU WILL NEED

See the show for everything used.

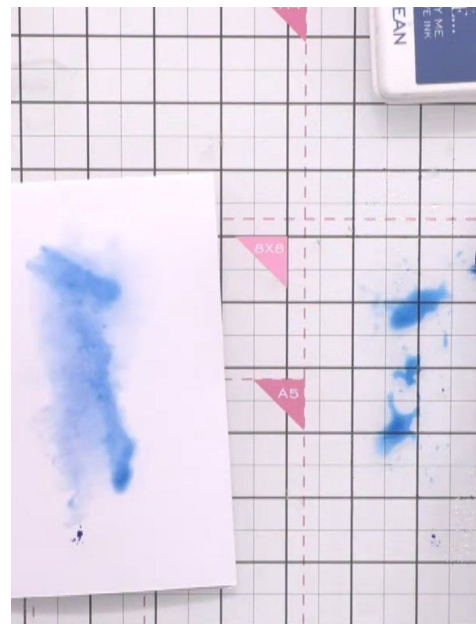

STEP 1

Spray blue ink onto your craft mat with water to create a watercolour wash. Place your white cardstock onto the wet ink to pick up the colour and create a watercolour effect.

Watch this step: 31:00 into the show

STEP 2

Use an ink pad lid to add additional colour lines into the wet blue ink on your card, creating texture and depth in the watercolour wash.

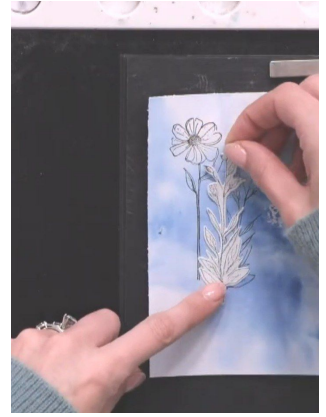

Watch this step: 31:15 into the show

STEP 3

Allow the inked card to dry completely. You can use a tissue to gently blot any excess moisture if needed.
Watch this step: 32:00 into the show

STEP 4

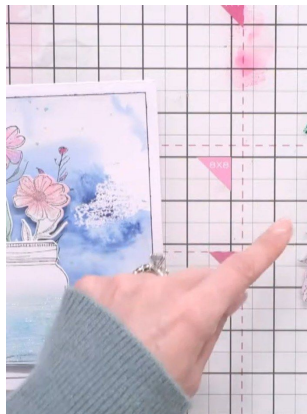

Stamp the mason jar image and flower stems onto the dried watercolour background using black ink. Position the jar centrally on the panel and add stems around it.
Watch this step: 44:00 into the show

STEP 5

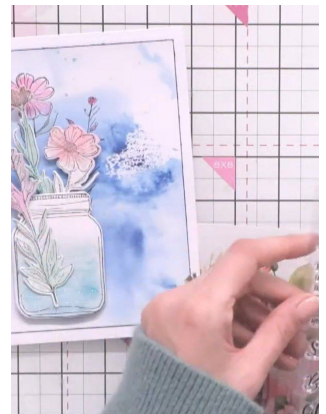

Stamp additional flower heads at different angles across the watercolour background to create perspective and depth. Vary the positioning to achieve a natural, layered look.
Watch this step: 45:00 into the show

STEP 6

Using a paintbrush, colour the flower heads with pink watercolour, adding touches of colour to the petals. Leave white spaces for a watercolour effect.
Watch this step: 48:00 into the show

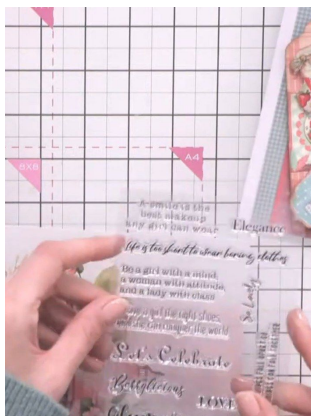

STEP 7

Position the pre-stamped and coloured mason jar element with the sparkle effect onto the centre of the watercolour background card panel.
Watch this step: 52:00 into the show

STEP 8

Select a sentiment phrase from your stamp set and stamp it onto coordinating paper. Position the sentiment where you want it to appear on your card design.
Watch this step: 54:00 into the show

STEP 9

Colour the sentiment stamp with alcohol markers to add depth and dimension. Use coordinating colours to enhance the text and make it stand out against the background.

Watch this step: 55:00 into the show

STEP 10

Mount the sentiment topper onto the card front using foam pads to create dimension. Position it centrally over the watercolour wash and stamped jar design.

Watch this step: 57:00 into the show

TIPS FROM THE SHOW

- Leave white spaces when colouring to create a watercolour effect
- Use the lightest colour to push white embellishments back if you don't want stark white areas
- Hybrid ink pads work with both watercolour and alcohol markers without bleeding
