

Berrylicious Vellum and Topper Card

7 MAY 2025

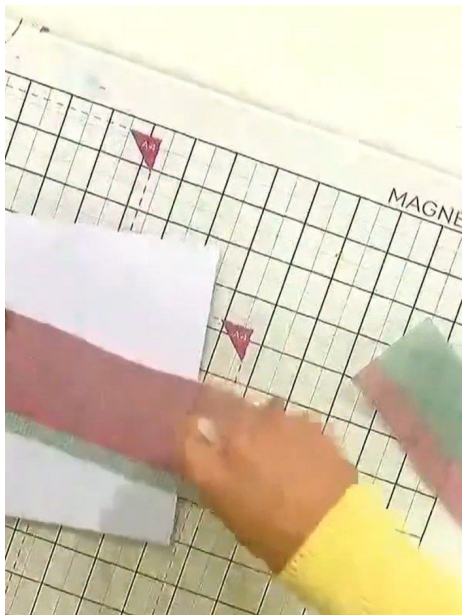

Make a beautiful card featuring a vintage-style jar filled with flowers, using vellum layered over white card. The design incorporates soft pink and mint green watercolour tones with delicate floral stamps and decorative tags. This elegant project uses simple layering techniques to create a sophisticated, semi-transparent effect.

TIPS FROM THE SHOW

- Vellum is semi-transparent parchment paper that gives a touch of luxury to card making.
- When you add white behind vellum, the detail pops from the page, giving you that touch of elegance.
