

Follow Your Dreams Fairy Card with 3D Layers

7 MAY 2025

Create a magical fairy card featuring enchanting nature elements with beautiful dimensional layers. This whimsical design combines delicate butterflies, dragonflies, and floral motifs with inspirational sentiments like 'Follow Your Dreams' on a soft, dreamy background. Using pre-printed toppers and 3D foam pads, you'll build stunning depth and dimension to bring this fairy tale scene to life.

WHAT YOU WILL NEED

See the show for everything used.

STEP 1

Select a card blank from the kit with your preferred design. The kit includes 18 pre-printed card blanks featuring various fairy-themed scenes including woodland paths, fairy doors, and mushroom designs.

STEP 8

Layer the embellishments around the main topper to create dimension. Position the decorative panels with gold frames around the central image, arranging them at angles for visual interest. Add the floral and butterfly die-cuts to complete the layered design.

Watch this step: 34:00 into the show

STEP 9

Optionally, add a sentiment topper from the kit inside the card, or use stamps to create your own message.

The card can be used as a note holder or greeting card.

TIPS FROM THE SHOW

- Do not be tight with your foam pads; use plenty to create really pretty cards with good dimension.
- You can cut away the white background from embellishments if you prefer a cleaner look.
- You have options: leave the white background or cut it away depending on your preference.
