

Ombré Paper Pieced Card with Graduated Colours

14 FEBRUARY 2025

Create a stunning ombré effect by stamping the poppy and sentiment onto four pieces of card stock in graduated colours, then cutting them into strips and reassembling them to create a seamless colour gradient from light to dark.

From our live show **Create Together Club - 5 Days of Creativity - Broadcast Friday 14TH Feb 2025** (14 February 2025) - watch it from 29:30.

WHAT YOU WILL NEED

See the show for everything used.

Gather four pieces of card stock in graduated colours, ranging from light to dark (for example, light pink through to deep purple or light grey through to dark grey).

Ink up the large poppy stamp with black ink.

Watch this step: 30:00 into the show

Stamp the poppy onto the top portion of each piece of card stock, keeping the stamp in the same position for all four pieces.

Watch this step: 30:15 into the show

Stamp a sentiment below the poppy on each piece, using the same position for consistency.

Watch this step: 30:45 into the show

Using your guillotine, cut all four stamped pieces into one-inch strips.

Watch this step: 31:00 into the show

Arrange the strips in colour order, from lightest to darkest, to create your ombré sequence.

Watch this step: 31:30 into the show

Take a black card base and begin adhering the strips from top to bottom in your chosen colour order.

Watch this step: 32:00 into the show

Ensure each strip is lined up so the poppy design appears continuous across the colour gradient.

TIPS FROM THE SHOW

- Lay out your colour strips before adhering them so you can plan your ombré sequence.
- Make sure you line up the design, not the card pieces, when reassembling for a seamless effect.
- White gel pen highlights will dry back lighter, so do not be afraid to apply it generously.
