

6x6 Envelope from Coloured Card Stock

6 FEBRUARY 2025

Create a charming 6x6 inch envelope from coloured card stock, perfect for presenting gift cards or small handmade greetings. This project uses a scoreboard and envelope maker tool to achieve crisp folds and a professionally rounded flap. The finished envelope features a soft grey colour that coordinates beautifully with floral designs.

From our live show **ONE DAY SPECIAL - Join Toni for her brand new launch - Broadcast 6th Feb 2025** (6 February 2025) - watch it from 37:15.

WHAT YOU WILL NEED

- Stamps By Me Creative Tool Bundle 180424A

STEP 1

Select a 6x6 inch piece of coloured card stock from your stash. This will be used to create your envelope base.

Watch this step: 37:30 into the show

STEP 2

Refer to the scoreboard on your envelope template to locate the 6x6 card size. Note the corresponding score line measurement, which is number three on the chart.

Watch this step: 37:45 into the show

STEP 3

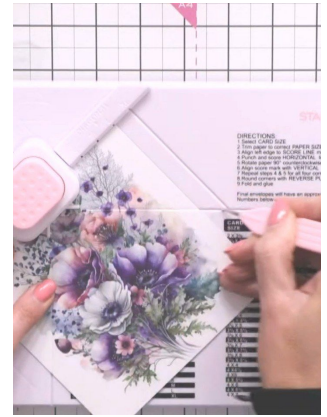

Place your card stock on the scoreboard and align the left edge with the number 3 marking on the board.
Watch this step: 38:00 into the show

STEP 4

Use the score tool to score down the length of the card. Then score across at the marked horizontal line to create the envelope fold lines.
Watch this step: 38:15 into the show

STEP 5

Punch the card at the designated point marked on the scoreboard to create the hole for the envelope closure.
Watch this step: 38:30 into the show

STEP 6

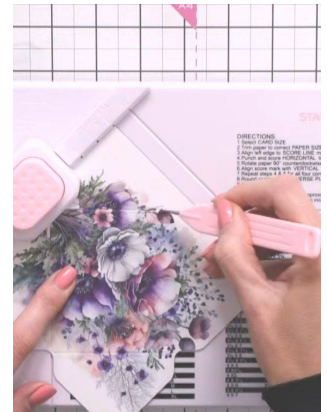

Twist the envelope and line the score line back up with the corresponding line on the scoreboard.
Watch this step: 38:45 into the show

STEP 7

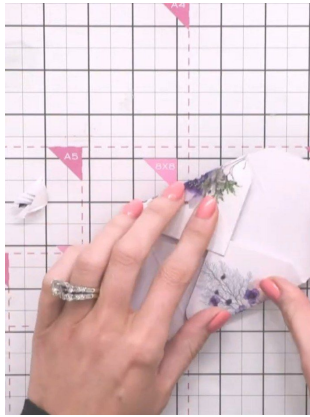

Align the score line with the vertical line on the scoring board and score across horizontally. Punch the envelope again to complete the scoring pattern.
Watch this step: 39:00 into the show

STEP 8

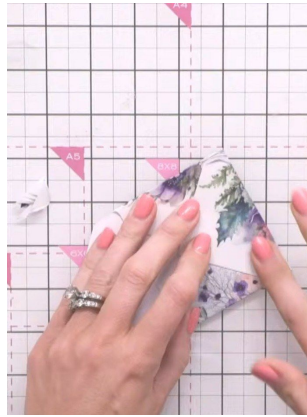

Fold up the sides of the envelope along the score lines using a bone folder to create crisp creases.
Watch this step: 39:15 into the show

STEP 9

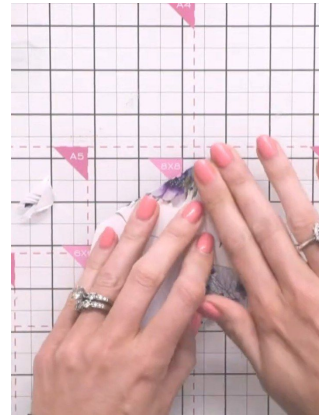

Fold in the side flaps of the envelope and secure them with double-sided tape to create the envelope shape. Watch this step: 39:30 into the show

STEP 10

Insert the pointed flap of the envelope into the corner rounder tool to create a curved top edge. Watch this step: 39:45 into the show

STEP 11

For a neater finish, fold the bottom flap of the envelope inward before sealing. Watch this step: 40:00 into the show

TIPS FROM THE SHOW

- The scoreboard has all the measurements marked, so you only need to line up one number and follow the guide—no maths required.
- Use the corner rounder to give your envelope flap a professional curved finish.
- You can decorate the envelope with stamps, stickers or wax seals before sealing it.
