

11x11 Envelope from 12x12 Paper

6 FEBRUARY 2025

Create a beautiful 11x11 envelope from standard 12x12 patterned paper, perfect for larger handmade cards or as a decorative wallet insert. This project features soft pink watercolour florals with text overlay, and uses simple scoring and folding techniques to transform a square sheet into a functional envelope. The finished piece is both practical and pretty, making it ideal for special occasions or as part of a mini album. From our live show **ONE DAY SPECIAL - Join Toni for her brand new launch - Broadcast 6th Feb 2025** (6 February 2025) - watch it from 31:30.

- You can use double-sided paper to create envelopes with colour on both the inside and outside.
