

Heart Wreath Layered Card with Sentiment

4 JANUARY 2025

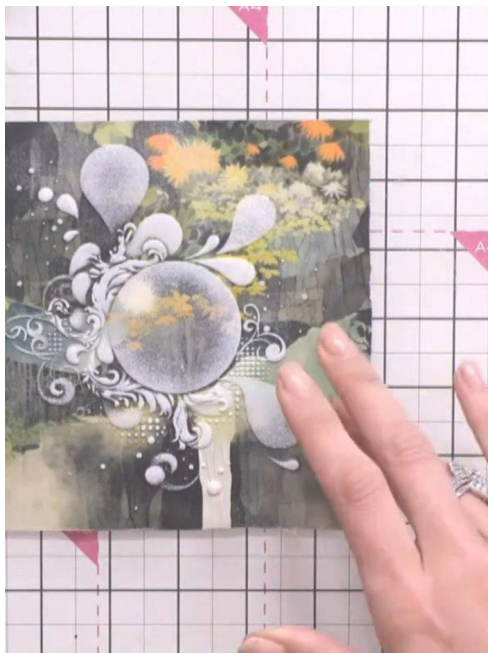

Create a stunning layered card featuring a delicate floral wreath design with the sentiment 'Blessed'. Using coordinating stencils and dies, you'll build up soft pink, peach and grey tones to create a dimensional botanical wreath with elegant leaves and blooms. This project demonstrates layering techniques with stencils and die-cutting to achieve a professional, textured finish.

WHAT YOU WILL NEED

- Stamps By Me Paper Bundle - Timeless - 8 X 8 Paper Pad - 061223G

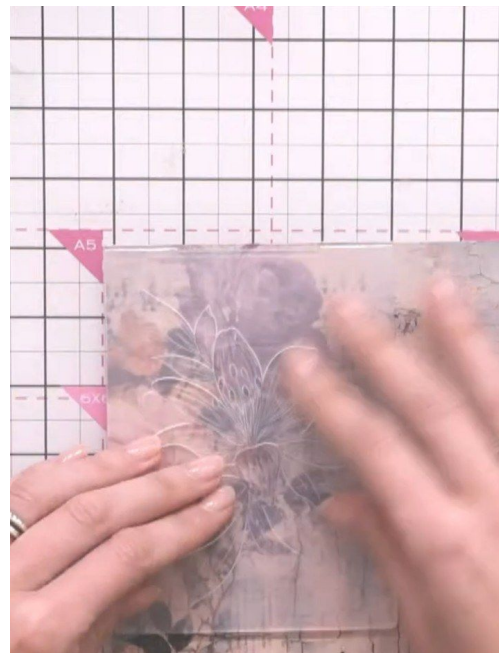

STEP 1

Prepare a piece of white card stock as your base card.

Watch this step: 27:45 into the show

STEP 2

Select the first Heart Wreath layering stencil and position it on your paper. Use a pencil to mark the hearts in each of the four corners to help with alignment.

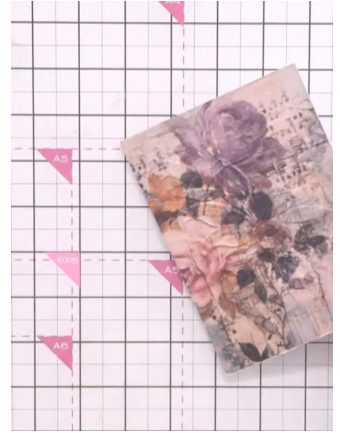

Watch this step: 28:00 into the show

STEP 3

Position your heart wreath stencil on the card front.
Using a blending tool, apply ink through the stencil in your chosen first colour, working the ink gently over the stencil design.
Watch this step: 28:30 into the show

STEP 4

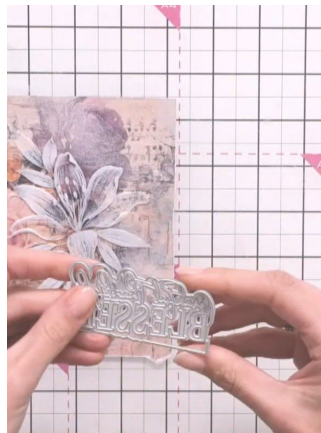

Position the second stencil over your card, aligning it with the corner hearts.
Apply a second colour through the stencil using your blending tool or sponge.
Watch this step: 29:00 into the show

STEP 5

Continue building up the wreath design by applying additional stencils over the base layer. Use different colours through the stencils to add depth and dimension to the floral wreath pattern.
Watch this step: 29:30 into the show

STEP 6

Die-cut your chosen sentiment word (Grateful, Thankful, or Bless) from coordinating cardstock using the die from the Heart Wreath set.
Watch this step: 34:00 into the show

STEP 7

Adhere the sentiment die-cut to the centre of the wreath using glue, positioning it over the floral design.
Watch this step: 34:30 into the show

STEP 8

Mount the completed layered design onto your card base to finish the card.
Watch this step: 35:00 into the show

TIPS FROM THE SHOW

- You can create the wreath in cotton white, flower colours, pinks, yellows, or teals depending on your preference.
- The heart system in the four corners helps you line up each stencil perfectly every time.
- This sentiment is one of the all-time favourite sentiments available in multiple forms including stamps, dies, and stencils.
