

Vintage Lamination Floral Birthday Card

25 NOVEMBER 2024

A 7x7 inch square card featuring the 'Here for You' lamination stamp with abstract floral design, creating a painted watercolour effect. The card uses ink blending for vintage edges and layered elements with sentiment text.

Trim a mat and layer for the front of the card.

Watch this step: 17:30 into the show

Use a blending brush with ink to blend colour around all edges of the card for a vintage look.

Watch this step: 24:00 into the show

Stamp the main floral head of the lamination stamp in black ink, positioning it coming in from the corner.

Watch this step: 28:00 into the show

Stamp the side bud element of the stamp in black ink to complement the main flower.

Watch this step: 31:00 into the show

Lightly tap a small ink pad to load the stamp with minimal ink, then remove excess with tissue.

Watch this step: 35:00 into the show

Spray the stamp three times with water before pressing onto the card to create the lamination watercolour effect.

Watch this step: 35:45 into the show

Repeat the water-spray lamination technique for the remaining floral elements on the card.

Watch this step: 40:30 into the show

Layer the decorated panel onto the black mat layer and attach to the card base.

Watch this step: 41:30 into the show

TIPS FROM THE SHOW

- You can stamp the lamination design onto patterned papers for an ethereal, beautiful effect.
- If you stamp onto watercolour card, the lamination technique looks like you have painted it yourself.
- No colour is needed on the pink background; the design looks beautiful in black ink alone.
