

Single-Pocket Fold-Out Page with Tab Closure

25 NOVEMBER 2024

Create a charming 6x6 album page featuring a single fold-up pocket with a decorative tab closure. This project uses pink striped patterned paper and a marbled accent piece to create a practical storage solution for photos or memorabilia. The main techniques include scoring, folding, and using a decorative punch to create the tab closure.

From our live show **MIGHTY MONDAY - Join Toni for her detailed papercrafting sessions - Broadcast 25th November 24** (25 November 2024) - watch it from 13:30.

STEP 2

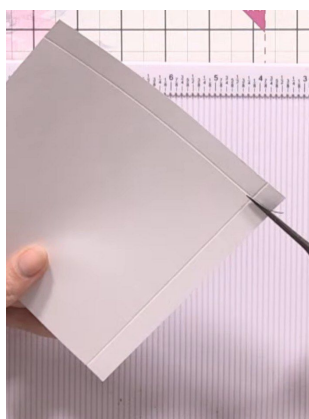

Turn the paper 90 degrees. Score another half-inch line along the adjacent edge, maintaining the same distance from the edge.
Watch this step: 13:45 into the show

STEP 3

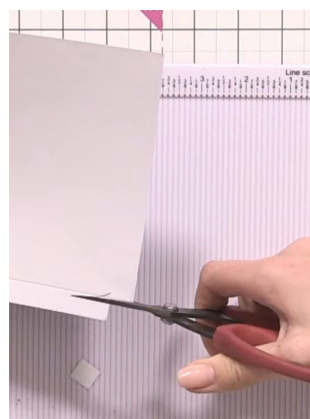

Cut away the small square where the two score lines meet to remove bulk from the card.

Watch this step: 14:00 into the show

STEP 4

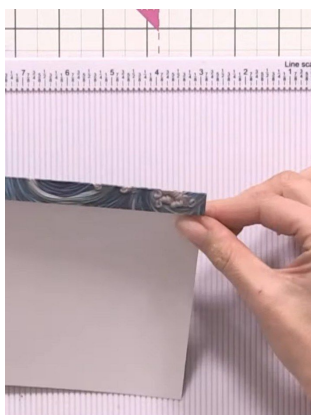

Fold the bottom edge of the card up to meet the top edge, creating a pocket shape. Hold the card in place and ensure the edges align neatly.

Watch this step: 14:15 into the show

STEP 5

Score along the fold line firmly using a scoring tool to create a crisp, clean edge for your fold-out page.

Watch this step: 14:30 into the show

STEP 6

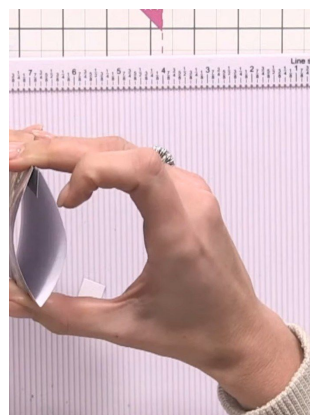

Apply adhesive tape or glue along the side edges of the pocket to seal them closed, keeping the top edge open.

Watch this step: 14:45 into the show

STEP 7

Punch two tab shapes from contrasting paper scraps using your tab punch.

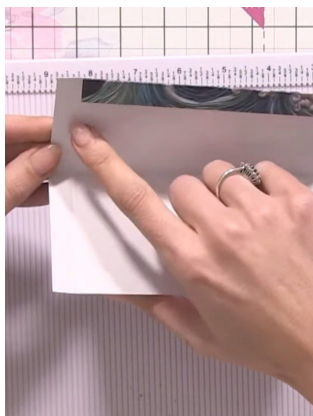

Watch this step: 15:00 into the show

STEP 8

Attach one tab punch to the front of the pocket and one to the back to create a pull-out closure. The tabs will form a hinge mechanism for opening and closing the pocket.

Watch this step: 15:15 into the show

STEP 9

Trim away any excess hinge material from the edges of your fold-out page to reduce bulk before adding it to your album.

Watch this step: 15:30 into the show

TIPS FROM THE SHOW

- Removing bulk from hinges prevents your album from becoming too thick.
- Tab punches create an easy-to-grip closure for your pockets.
- You can use offcut card stock for your tab punches to save materials.
