

Double-Hinged Page with Layered Pockets

25 NOVEMBER 2024

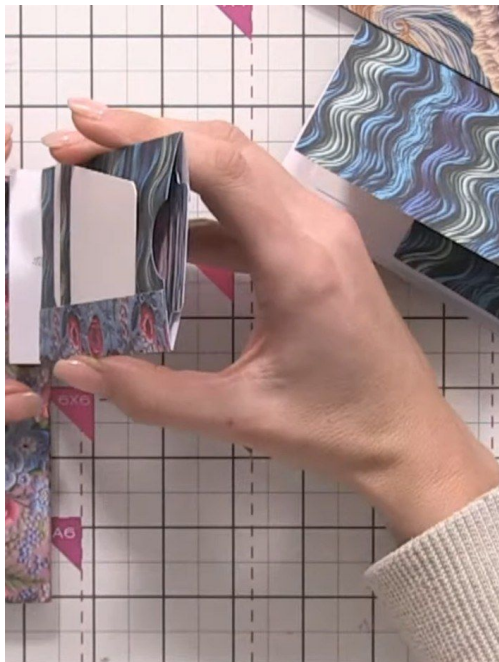

Create a double-hinged 6x6 album page featuring layered pockets with decorative Japanese-inspired papers in blues, teals and florals. This project uses multiple paper layers, adhesive techniques and strategic hinging to build a dimensional page with substantial storage capacity. The finished piece showcases wave patterns and botanical motifs with white card inserts for journaling.

From our live show **MIGHTY MONDAY - Join Toni for her detailed papercrafting sessions - Broadcast 25th November 24** (25 November 2024) - watch it from 50:00.

WHAT YOU WILL NEED

- Circle Craft Punch - 1 Inch - 170926Z
- Atc Card Bundle 100 White Cards 090522M

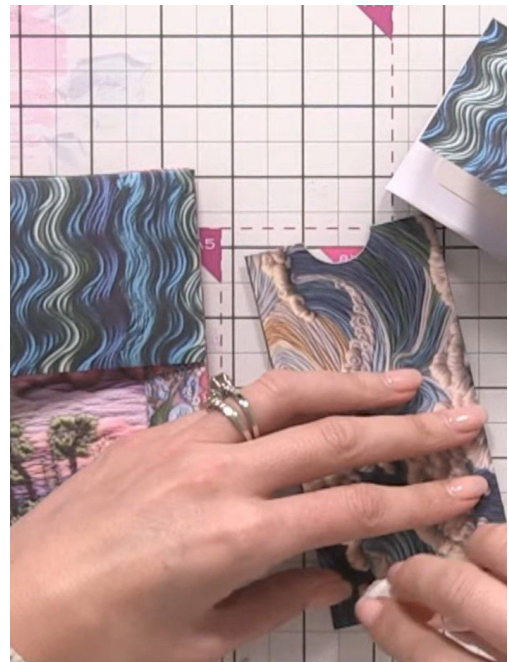

STEP 1

Score a half-inch hinge along the top edge of your 6x6 patterned paper using a scoring tool.

Watch this step: 50:00 into the show

STEP 2

Score a second half-inch hinge along the bottom edge of the patterned paper panel. Fold along the score line to create the hinge.

Watch this step: 50:15 into the show

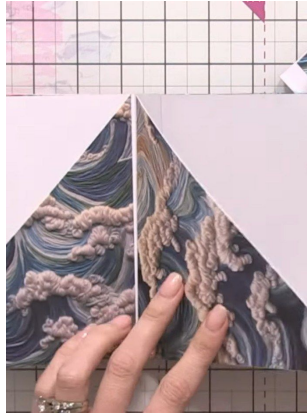

STEP 3

Fold the wavy patterned paper along the scored lines to create the pocket structure between the two hinges. Press firmly along the folds to create crisp creases.

Watch this step: 50:30 into the show

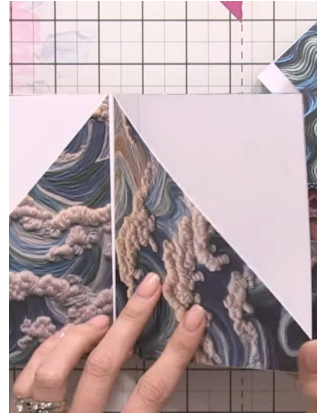

STEP 4

Arrange your decorative paper pieces on the craft mat to check the design and ensure the patterns complement each other. Position the marbled wave pattern papers alongside the floral designs to create visual interest.

Watch this step: 50:45 into the show

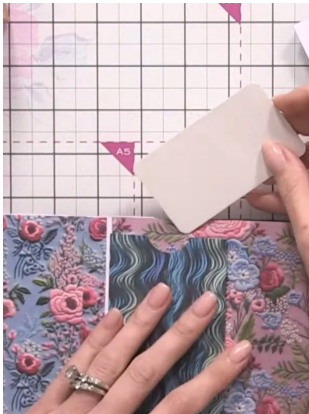

STEP 5

Use offcut paper to create small pockets by scoring quarter-inch lines along the edges. Fold along the score lines to form the pocket sides and base.

Watch this step: 51:00 into the show

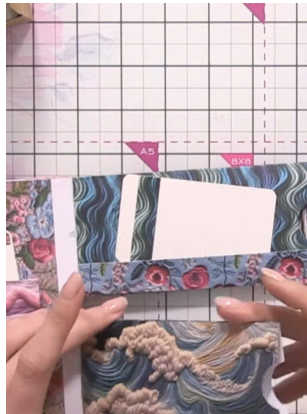

STEP 6

Layer the small white card pieces inside and on top of your main patterned paper pocket to create layered pockets.

Watch this step: 51:15 into the show

STEP 7

Use your 1-inch circle punch to punch circular openings in the white panels of your pockets. Position the punch to create windows that will reveal the decorative paper beneath.

Watch this step: 51:30 into the show

STEP 8

Insert small cards or photos into your nested pockets for display. Layer the different sized pockets to create depth and visual interest.

Watch this step: 51:45 into the show

STEP 9

Cover any visible hinges with decorative paper offcuts to hide the construction and create a neat finish.

Watch this step: 52:00 into the show

TIPS FROM THE SHOW

- Double hinges allow you to create pages with substantial depth and layering.
- Always be mindful of hinge placement so pockets do not cover them completely.
- Layering pockets of different sizes creates visual interest and storage options.
