

## 3D Gift Card with Stamped Bikes and Sparkle

20 SEPTEMBER 2024

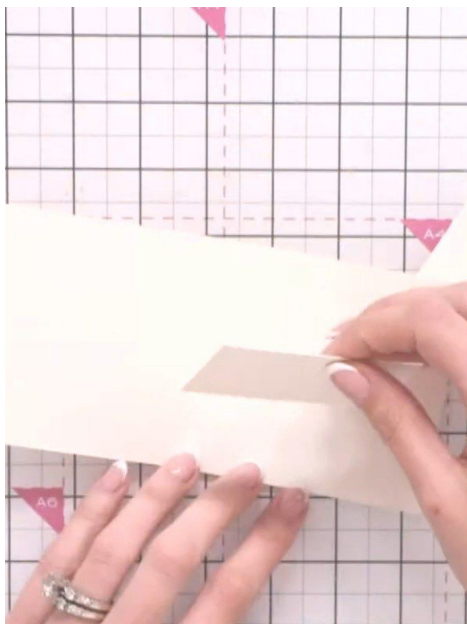

Create a charming 3D gift card insert featuring a stamped bicycle motif with added sparkle details. This quick and elegant card complements your decorated gift box with a personal handmade touch. The design uses stamping techniques and dimensional elements to create a coordinating piece that sits beautifully inside your gift presentation.

From our live show **ONE DAY SPECIAL - Join Toni for brand new launch - Broadcast 20th September 24** (20 September 2024) - watch it from 29:45.

### WHAT YOU WILL NEED

- Stamps By Me - Snowy Trails Paper Pad - 200324A

### STEP 1

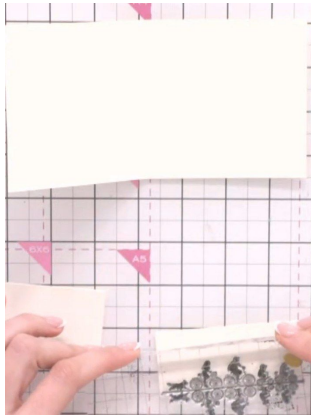

**Cut two pieces of cream card to pocket size, smaller than your gift box interior.** These will be used to create decorative pockets for the inside of your card.

**Watch this step:** 29:45 into the show

**Stamp the bike design from the Great Outdoors set across the top of one cream card piece, positioning it horizontally to create a border effect.**

**Watch this step:** 30:00 into the show

**STEP 3**

**Stamp the same bike design across the second cream card piece to match the first.** Position the stamps to create a continuous scene of cyclists.

**Watch this step:** 30:45 into the show

**STEP 4**

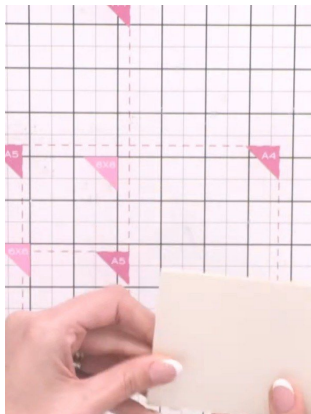

**Apply glue to one of the stamped pieces and carefully align it with the other stamped piece.** Press them together to create a pocket that will hold your message tag and money.

**Watch this step:** 31:15 into the show

**STEP 5**

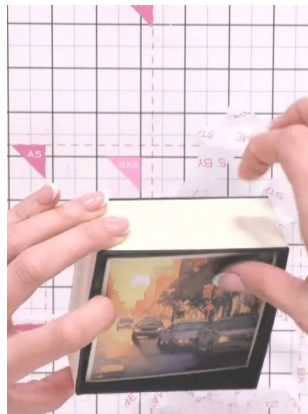

**Cut a tag from Great Outdoors paper offcuts using a tag punch or die cut machine.**

**Watch this step:** 35:00 into the show

**STEP 6**

**Write your message on the cream tag and place it inside the pocket of your card.**

**Watch this step:** 35:30 into the show

**STEP 7**

**Apply foam dots or 3D adhesive to the back of the stamped bike corner element to raise it from the card surface.**

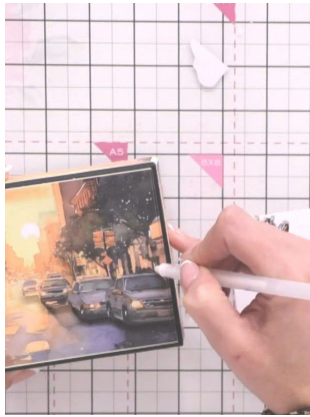

**Watch this step:** 39:00 into the show

**STEP 8**

**Use a white gel pen to highlight the stamped bikes, adding detail and definition to bring them back to life against the darker background.**

**Watch this step:** 40:00 into the show

STEP 9

Add iridescent glitter glue to the trees and other design elements on the sunset scene to create sparkle and dimension.  
Watch this step: 43:00 into the show

STEP 10

Place the completed 3D card inside the decorated box with tissue paper to present as a gift.  
Watch this step: 44:00 into the show

#### TIPS FROM THE SHOW

- Stamp the bikes on the front before gluing pieces together to make the process easier.
- Use white gel pen to highlight details after adding pads, as the ink will dry back to nothing.
- Make sure your card bottom is the right way up before gluing to avoid having to redo it.
