13 SEPTEMBER 2024

Create an elegant autumn card featuring a stunning oak leaf cascade design embossed on copper card stock. The three-dimensional embossed leaves are enhanced with clear heat embossing for a glossy finish, complemented by delicate leaf outlines, artistic splatter effects, and a wood-grain washi tape accent. TIPS FROM THE SHOW

- You don't need to use the entire embossed panel; you can cut sections out to feature specific parts of the design.
- Embossing folders create beautiful depth and dimension on white card stock alone, so you don't always need coloured cardstock.
- The oak leaf cascade design works beautifully with just the embossing effect, requiring minimal additional embellishment.
