

Layered Bauble with Sparkle Paper and Decorative...

27 AUGUST 2024

Create an elegant layered Christmas bauble decoration featuring a blue ornament with lattice detail and gold 'NOEL' lettering. This project combines sparkle paper, metallic embellishments, and 3D embossing folders to build up decorative floral and festive elements. The finished piece has a luxurious appearance achieved through careful layering and positioning of die-cut components.

From our live show **CREATE AND CRAFT TV - New and Exclusive - Broadcast 27th August 24** (27 August 2024) - watch it from 53:00.
