STEP 1

Select a 12x12 inch piece of patterned paper from your collection as the base for your scrapbook page. Choose a design that complements your theme - this example uses a floral pattern with white flowers and grey foliage. **Watch this step:** 20:30 into the show

STEP 2

Take one of the pre-made topper panels from the collection. Using an ink pad, carefully add ink around the edges of the panel to create definition and depth. **Watch this step:** 20:45 into the show

TIPS FROM THE SHOW

- You don't have to use the kit exactly as intended—you can create your own designs using the components in different ways.
- The topper mounts have a centralised panel ready to mount, but you can cut elements away and use them independently if you prefer.
