

Watercolour Gown Card with Lamination Stamps

23 AUGUST 2024

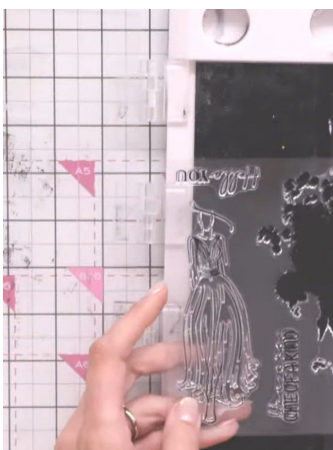

Create a stunning watercolour gown card using the innovative two-part lamination stamp system. Stamp the solid portion in vibrant pink and coral tones, spray with water to blend the colours beautifully, then add the detailed outline stamp in black ink for definition. The result is an elegant card with a gorgeous watercolour effect that looks hand-painted.

From our live show **ONE DAY SPECIAL - Join Toni for her brand new release - Broadcast 23rd August 24** (23 August 2024) - watch it from 12:00.

TIPS FROM THE SHOW

- Don't position the solid stamp too high or you'll lose the detail at the top of the design.
- Use the packet visual as a guide to align the detailed outline stamp correctly.
- You can use different ink pad colours for the outline instead of black for creative variation.
