

Reflection Collection Family Story Card

A PROJECT FROM OUR LIVE SHOW - CREATE AND CRAFT TV - 11 MARCH 2024

ABOUT THIS PROJECT

A meaningful card using the reflection stamps that tell a story. You stamp a family scene onto patterned paper, add a sentiment, and embellish with colourless glitter to create shimmer in the water area. The built-in reflection in the stamp design means no complex technique is needed.

TIPS FROM THE SHOW

- The reflection is built into the stamp design, so you don't need to create it yourself.
- You can stamp the image partially off the page to create a sense of movement.
- Colourless glitter catches light like ripples on water without clashing with your colour scheme.
