

Reflection Collection Rain Scene Slim Card

A PROJECT FROM OUR LIVE SHOW - CREATE AND CRAFT TV - 11 MARCH 2024

ABOUT THIS PROJECT

A slim-line card featuring the dancing in the rain stamp on patterned paper. You stamp the running figures onto the paper, add white gel pen highlights to the umbrella, and finish with a sentiment. This demonstrates how the same stamp and papers work in different card formats.

TIPS FROM THE SHOW

- The base of the reflection stamp design is shorter and has a jaded effect, so align this at the bottom for correct orientation.
- You don't have to use the papers if you prefer to create your own backgrounds with ink blending.
- Stamping partially off the page creates a sense of movement and story.
