

You Are So Lovely Aperture Card with Scene Setting

18 SEPTEMBER 2026

Create a stunning card using the You Are So Lovely die set to cut an aperture window in your card blank. Layer beautiful scene-setting papers and embellishments behind the aperture to create a framed focal point with depth and dimension.

From our live show **HOBBYMAKER TV - Join us for the latest show - Broadcast 6 p.m. (UK) 18th September 2026** (18 September 2026) - watch it from 34:45.

WHAT YOU WILL NEED

See the show for everything used.

Take a card blank from your stash and position the You Are So Lovely aperture die in the centre of the card.

Watch this step: 34:45 into the show

Run the card blank through your die-cutting machine with the die to create the aperture window.

Watch this step: 35:00 into the show

Select a piece of vellum or patterned paper from the You Are So Lovely collection to place behind the aperture.

Watch this step: 36:30 into the show

Secure the backing paper behind the aperture using foam pads or adhesive to create dimension.

Watch this step: 37:00 into the show

Fussy cut embellishments from the You Are So Lovely embellishment pack, such as animals or foliage.

Watch this step: 40:15 into the show

Attach the fussy-cut elements to the front of the card using foam pads to add height and create a layered scene.

Watch this step: 40:30 into the show

Add additional embellishments or stamped sentiments to complete your card design.

Watch this step: 41:45 into the show

TIPS FROM THE SHOW

- You can use the die to create aperture cards with the centres missing, which can be sold or gifted as blank cards for others to personalise.
- The uncoated card stock allows you to add ink, paint or pencil details if desired.
- You can layer multiple die cuts with foam pads and offset them slightly to create drop shadows and added dimension.
