

Sparkle Everyday Card with Coloured Embossed...

9 JULY 2026

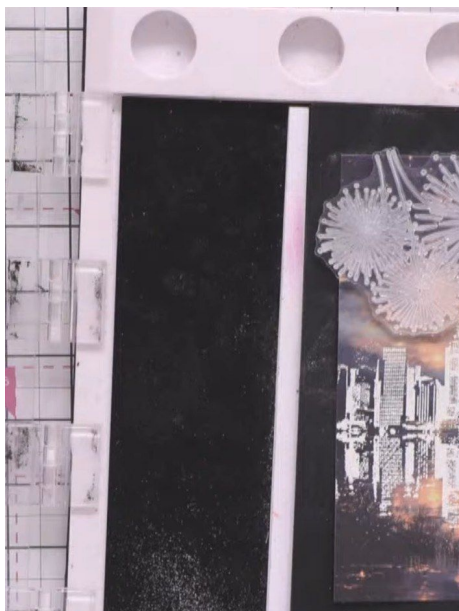

Make a spectacular celebration card featuring a city skyline with vibrant fireworks overhead. Using the Sparkle Everyday stamp set, you'll create a dramatic scene with custom-coloured embossed fireworks in shades of pink, blue and peach against a night sky. The design includes a detailed cityscape with water reflections, all brought to life through stamping and heat embossing techniques.

From our live show **THE BRAND NEW LAUNCH - Join Toni in her UK Studios - Broadcast 9th July 2026** (9 July 2026) - watch it from 1:13:00.

WHAT YOU WILL NEED

- Stamps By Me - Sparkle Every Day - Stamp Set - 050325C
- Stamps By Me - Skyfire Nights Collection - 130325A

STEP 1

Select a plain or lightly patterned piece of paper from the Skyfire Nights collection as your card base.

STEP 2

Before beginning the embossing process, heat your heat gun fully so it's ready to use. This ensures the embossing powder will melt evenly when applied.

Watch this step: 1:14:00 into the show

STEP 3

Use a sticky ink pad to ink up the **Sparkle Everyday stamp**. Press the stamp firmly onto the ink pad to ensure even coverage.
Watch this step: 1:15:30 into the show

STEP 4

Stamp the cityscape reflection and fireworks design onto your chosen paper, positioning the fireworks in the upper corner area of the image.
Watch this step: 1:16:00 into the show

STEP 5

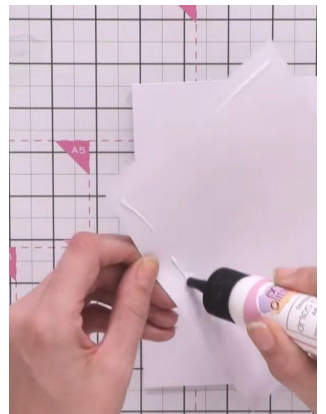

Sprinkle your chosen **WOW embossing powder** (such as Swing Baby) over the wet stamped image, ensuring complete coverage of the stamped areas.
Watch this step: 1:16:30 into the show

STEP 6

Heat set the embossing powder with your **pre-heated heat gun**, moving quickly across the design. Keep the heat gun moving to avoid scorching the card. The powder will melt and become shiny and raised.
Watch this step: 1:17:00 into the show

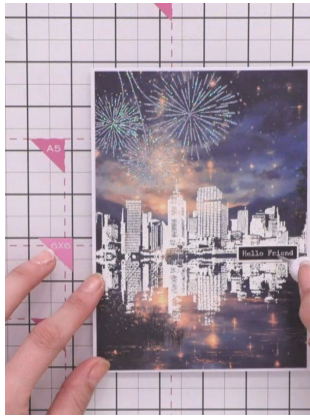

STEP 7

Once the embossed piece has cooled completely, trim it down to size to fit your card front, ensuring the cityscape and fireworks design is centred.
Watch this step: 1:19:00 into the show

STEP 8

Apply glue to the back of the trimmed vellum piece and mount it onto a white card blank, smoothing it down carefully to ensure it adheres evenly.
Watch this step: 1:20:00 into the show

STEP 9

Add a sentiment using washi tape to the card front. Position it to the side of the cityscape, ensuring it complements the embossed fireworks without covering them.

Watch this step: 1:21:30 into the show

TIPS FROM THE SHOW

- Always pre-heat your heat gun before applying it to prevent lumps and bumps in the embossing.
- Choose embossing powder colours that complement the paper's tone; lighter papers work well with vibrant colours.
- Position fireworks in a corner or upper area to leave room for sentiments on the card.
